USE OF COLLEGE FACILITIES AND EQUIPMENT  
FOR RADIO AND TELEVISION BROADCASTING

With approval, radio and television operators may broadcast College activities and use College equipment.

Broadcast Approval

Broadcasts or telecasts must be approved by the President. Requests should be made as far in advance as possible.

Use of Equipment

In most cases, broadcasters should provide their own equipment and operators. When available, college equipment may be used. Certain fees may apply. (See Policy 1330E)
