## SALES CALLS/DEMONSTRATIONS

It is the policy of the College to allow sales representatives access to College property, according to administrative procedures.

No direct solicitation of College employees by representatives of College suppliers shall be permitted unless approved by a College Vice President or the College President.

No solicitation for personal purchases shall be permitted on College property except as may be permitted by the administration. Normally such activity is restricted to sales calls to employees at times when such employees are not on duty, or sales calls to employees involving College sponsored or College approved activities.
