

PURPOSE AND ROLE OF THE BOARD: MISSION STATEMENT

The Wyoming Community College System Code places the responsibility for operation and management of the College District in the hands of an elected Board of Trustees of seven members. The powers of the Board of Trustees are specifically outlined in the Community College System Code. As a state institution, the College District is operated subject to the coordination of the Wyoming Community College Commission.

To guide the Board, the Board adopts the mission statement approved by the Wyoming Legislature. The current mission statement follows.

See following page for procedure.

PURPOSE AND ROLE OF THE BOARD: MISSION STATEMENT

Mission Statement

A Community College Mission Statement was adopted by the 1991 Wyoming Legislature through Enrolled Act No. 121 (original Senate file No. 266) and is printed in Section 3 of Chapter 228 of the Session Laws of Wyoming, 1991.

The Mission Statement, Section 3. (a), reads as follows:

“(a) The community college commission has proposed and the legislature hereby approves the following mission statement: The mission of Wyoming’s community colleges is to provide access to post-secondary educational opportunities by offering broad comprehensive programs in academic as well as vocational-technical subjects. Wyoming’s community colleges are low tuition, open access institutions focusing on academic transfer programs, career and occupational programs, developmental and basic skills instruction, adult and continuing education, economic development training, public and community services programming and student support services.”
