## PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board will provide an orderly framework for handling communications, Board will be maintained and problems resolved.

Audience participation and communications from the public will be a standard part of the agenda for regular meetings.

The Board may set a time limit on the period for audience participation or a time limit for individual speakers. Speakers must be recognized by the Board President and will observe Board policy concerning complaints against College personnel.

The Board is legally empowered to take a variety of appropriate actions if an individual or group disrupts a meeting.
